

MSDRA Memberships

Season Membership includes:

1) *Entry into Points system* -
5 Division Champion Jackets will be given to top total points earning driver in each of the following divisions;

MSDRA Stock MSDRA Improved Stock MSDRA Pro-Stock
MSDRA Open Mod MSDRA Outlaw

Jackets are sponsored by *VP Racing Fuels*. Each jacket will be custom embroidered. *Trophies* will be presented to each class high points driver. (Trail classes excluded) Points are issued to the driver, not the sled.

2) *Choose your number* and keep for the season. (contact us for availability)
Any number not taken is available, plus custom numbers will be recorded (1W, 2001)
You may put a letter at either end (custom) for instance: (F16, 16x,) we prefer not to use double letters (16xx) to avoid confusion.
Issued on first come / first reserved. Numbers stay with sled.

(Numbers 401- 999 are used for assigning numbers to non-members for single event.)
If you are not a member, you will be assigned a number at registration, regardless if you have numbers on your sled or not. This is for our convenience. Some of these numbers may be taken by a member. We will have a list of all numbers issued.

Individual membership includes one assigned number of choice; family will get two number choices included. Team will get 4 numbers assigned. You may reserved extra numbers if desired, with membership, @ \$10 each, but these sleds would be subject to tech fee.

3) *Tech fees are included* for each season membership sled, if you bought additional numbers those sleds must pay tech fee. (team has four sled's tech paid for season)

4) *You will receive* a MSDRA decal, MSDRA membership card, and a VP Racing Fuels decal. Both decals must be displayed on sleds in points running.

Additional MSDRA decals are available for sleds and / or trailers at additional cost.
Inquire.

<i>Individual Season Membership fee:</i>	\$75.00
<i>Family Season Membership fee:</i>	\$100.00
<i>Team Season Membership fee:</i>	\$150.00

Day Membership fee: \$10 - will get you entered into that event points running.
You must pay the tech fee. Not able to reserve sled number.

TECH FEES:

There will be a \$5 per sled per event (day) fee. This is not a "per class" fee. It costs \$5 to tech a sled whether it runs in one class or four. Four different sleds, \$5 each = \$20.
(We have to pay to have good Tech People and so do you.) This fee will be charged at every race. Season members (sled numbers) will be on a "No Tech Fee" list. Number crossed off as tech'd. (Yes, you still have to be tech'd!)

Tech Cards:

Once your sled has been tech'd , fee paid, and waiver signed (at Tech area) you will be issued a card with the classes you wish to run that sled in. The tech will sign the card. You can now take this card to registration and sign up for the classes you want to run in. A sled must be tech'd before you can register it.

Annual Membership form is below, you may print off and send with check, payable to MSDRA ;
Mail check and completed form to: MSDRA P.O. Box 64, Dixfield, Maine 04224
